

## Cambridge Exams 2014-15

### Comparison of Candidate Achievements - Darasamuth EP vs Thailand

The following table shows how well our students do compared to other students in Thailand. For example, 100% of our EP students achieved 5/5 shields in the Starters Listening exam, compared to 42% of the rest of Thailand. 44% of our EP students achieved a Pass with Distinction in KET, compared to 12% of the rest of Thailand. It is worth noting that many of the students in Thailand who take Cambridge exams attend international schools, rather than Thai schools.
